

Game Master Guide

The puzzles are color coded to help keep them in order.

RED (Mirror Puzzle)

Left Shoes____
Door Knobs_____
Light Bulbs_____

*We recommend establishing where to have your kids look.
Do you only want them to count things in one room, or one floor?
Just tell them beforehand if you want to limit your playing area.

ORANGE (Word Search)

743

When all of words are found there will be numbers. When you kiddo tells you the number give them the yellow clue.

YELLOW (Secret Code)

“Your next clue is in the fridge”

*Don’t forget to hide the green clue.

GREEN (Hidden Message)

“HELLO”

*When they solve this puzzle give them the blue clue.

BLUE

“Pockets”

Once all of the animals are filled in the bolded lines will spell where the final prize or treat is hidden.

(1. Elephant 2. Owl 3. Peacock 4. **Monkey**
5. Blue Whale. 6. Cheetah 7. **Mosquito**)

*Remember to clearly communicate the boundaries of where you want them to search.
